

Joy Accent Table Deep Red Lacquer

The Joy accent table is, at the same time, playful and sophisticated, evoking childlike wonder as its unique balloon-inspired form and high-gloss finish bring joy and charm to any space. Detailed with bullnose edges, the form is simple yet a striking statement piece.

- **Bold Freeform Shape:** An organic silhouette in deep red high-gloss lacquer turns a simple side table into a focal point that brings energy and character to the room.
- **Substantial Tabletop:** Nearly three inches thick with a softened bull-nose edge, the top carries real visual weight while keeping the overall profile smooth and approachable.
- **Sturdy Mixed-Material Base:** Solid rubber wood legs paired with metal plates provide a stable, grounded foundation that supports the generous freeform top with quiet confidence.
- **Scratch and Stain Resistant:** The high-gloss lacquer surface handles daily wear and the occasional spill, keeping the deep red finish looking fresh and intentional over time.
