

MOE'S

June Dream Modular Sectional Dark Brown

Rearrangeable comfort, minus the commitment. June's modular pieces work solo or as a sectional, so your layout can keep up with life. Wrapped in warm, textured performance fabric in dark brown, it's designed for everyday lounging and care. Under the cushions: a solid wood and plywood frame, topped with foam, feather, and fiber fill, plus lumbar toss pillows for sink-in support. Oversized oak veneer base and legs add a grounded finish that looks good anywhere.

- Modular, Easygoing Lines: Low, lounge-ready profile in dark brown textured fabric, finished with oversized oak veneer legs and base for a warm, grounded look.
- Performance Polyester Cover: 100% polyester performance fabric brings a soft, textured hand and practical everyday durability, making spills and pet hair easier to manage.
- Supportive Layered Cushions: Foam core with feather and fiber fill balances sink-in comfort and shape, supported by a solid wood and plywood frame.
- Flexible Setup Options: Components are designed to stand alone or connect as sectionals, and lumbar toss cushions let you fine-tune support seat by seat.
