

Kai Floor Mirror Oak

The piece your other furniture wants to be around. Kai keeps things clear—in more ways than one. With its soft curves, solid wood frame, and natural grain that peeks through, it brings quiet structure to any room. The shape is simple—rounded corners and warm tones give it a grounded feel that plays well with everything. It’s the kind of piece you’ll use every day, without ever tiring of the view.

- **Minimalist Frame:** Clean lines, soft edges, and curved corners give this floor mirror a calm, foundational presence that complements modern and traditional rooms alike.
- **Solid Oak:** Crafted from solid oak with natural graining, the frame brings organic warmth and understated character to entryways, bedrooms, and dressing areas.
- **Considered Construction:** Expert craftsmanship shows in the smooth, soft-edged frame, giving the mirror a quality feel that holds up as a long-lasting piece.
- **Anti-Tip Security:** Included anti-tip hardware and mounting brackets keep the mirror safely in place, so it leans or mounts against the wall with confidence.
