

Kirby Nightstand Brushed Dark Brown

A narrow nightstand that wears its joinery proudly. Solid oak in a wire-brushed finish lets the natural grain come through, giving the Kirby nightstand a minimalist form that highlights the material itself. Visible joinery detailing on the top puts the craftsmanship on display, while the narrow footprint suits small spaces and styles neatly between twin beds. Small in footprint, big on honest, hands-on craft you can see.

- **Minimalist Form:** A simple, pared-back shape keeps the focus on the wood, making the narrow nightstand an easy, grounded fit beside a bed in any room.
- **Wire-Brushed Oak:** Solid oak with a wire-brushed finish brings out the natural grain and texture, highlighting the beauty of the material in a brushed dark brown tone.
- **Visible Joinery:** Exposed joinery detailing on the top puts the craftsmanship on display, turning a practical bedside piece into a quiet showcase of how it is made.
- **Small-Space Friendly:** A narrow footprint suits compact bedrooms and styles neatly between twin beds, holding bedtime essentials without crowding a tight floor plan.

Item Code	BC-1164-20
Swatch Code	
Country Of Origin	VIETNAM
Product Materials	Solid Oak
General Dimensions	23.6" W X 8.1" D X 20.1" H
