

Lane Nightstand Natural

The Lane nightstand captures the essence of Scandinavian modern design. Its sleek, solid oak frame is accented by thick, curved elements that soften its silhouette, allowing its inset Italian Botticino marble top to take centerstage as its rounded overhang gracefully complements its open and closed storage that features under-mounted glides.

- Inset Italian Bottichino marble top. Please note that due to the natural variances in marble, each table will vary in tone & vein markings
- Solid oak legs & frame with oak veneer drawer sides, back, bottom, & product back
- Thick, solid wood curved elements underscore overhanging rounded marble top
- One open & one closed drawer with under-mounted glides
