

Lazarus Outdoor Bench Dark Grey

Whether paired with a concrete or wood table or accentuated with pillows or throws, the Lazarus bench perfectly blends cool concrete elegance and versatile functionality. Boasting a fiber-reinforced cement build, it fits effortlessly indoors or out, even in the entryway, as an expressive showcase for both art and plants.

- Clean-Lined Profile: A rectangular silhouette and contemporary shape give this bench a grounded, sculptural look that feels easy to place across a range of spaces.
- Reinforced Cement Build: Fiber-reinforced natural cement gives the bench durable structure, while natural variation in color, pattern, and texture makes each piece feel distinct.
- Three-Seat Comfort: Comfortable seating for three makes this piece a practical perch for entryways, dining areas, patios, and other shared spots around the home.
- Flexible Placement: Designed for indoor or outdoor use, this bench moves easily between spaces and should be stored inside or covered during inclement weather.
