

Leigh Side Table Brown

Small table, big presence. The Leigh Side Table pairs a bold, round oak top with fluted edging that catches light and texture from every angle. Its stacked cylinder base plays with proportion—wide for stability, narrow for lift—bringing a mix of grounded weight and visual lift. Crafted from solid oak edges and veneer surfaces, it’s a modern accent that feels as refined as it looks.

- **Bold Form:** A round, thick tabletop with fluted edges creates striking texture and dimension, instantly making the piece a focal point in any living space.
- **Oak Finish:** Solid oak edge and oak veneer surfaces bring depth, durability, and a natural warmth that complements both modern and timeless interiors.
- **Expert Craft:** Built on a sturdy plywood base with thoughtful construction details that enhance both longevity and everyday performance.
- **Practical Stability:** Adjustable glides ensure the table stays level on any surface, blending good looks with everyday functionality.
