Leo Sofa Light Brown

Geometry gets comfortable here. Leo balances a squared side profile with inward-rolled arms and a gently curved back, giving the sofa a look that feels graphic and inviting at once. Tonal contrast piping and fully upholstered legs sharpen the outline, while foam-and-fiber cushioning keeps the sit easy. In light brown, the polyester upholstery reads warm, quiet, and more tailored. A clean-lined three-seater that knows how to keep the room—and the people in it—at ease.

- Curved Outline: Squared sides, inward-rolled arms, and a gently curved back create a balanced silhouette that feels graphic from across the room and inviting up close.
- Solid Upholstery: 100% polyester upholstery in light brown keeps the look warm and tailored, giving the form a quieter, more grounded finish.
- Tailored Finish: Tonal contrast piping, fully upholstered legs, and a plywood frame give Leo a clean outline and a considered finish from every angle.
- Three-Seat Ease: With room for three and a tight back, Leo keeps its profile neat while making everyday lounging feel relaxed at home.
