

Madagascar Nightstand With Legs

Crafted from solid Acacia wood and supported by geometric steel legs, the Madagascar nightstand offers an aesthetically pleasing rugged appeal blending rustic and industrial design. Thoughtfully designed with a single drawer between two open spaces to cater to your bedside essentials, this piece is both practical and visually captivating.

- Wood With Character: Natural grain, knots, and tonal variation give each solid acacia nightstand its own look, adding warmth and one-of-a-kind character beside the bed.
- Industrial Balance: Solid acacia and angular steel legs bring together warmth and structure, giving the silhouette a grounded feel with a clean-lined industrial edge.
- Crafted Drawer Front: Live-edge detailing and butterfly joinery give the drawer front a thoughtful, well-made look that adds texture and extra visual interest.
- Easy Access Storage: One spacious drawer keeps bedside essentials organized, while two openings make the drawer feel practical, easy to use, and ready every day.
