

Mado Swivel Accent Chair - Chalk

SKU: TOV-S54975

With its angular silhouette and lounge-ready comfort, the Mado Swivel Accent Chair brings a polished, collected feel to the living space. Upholstered in richly textured contract-grade fabric or easy-clean chenille, its tailored form feels elevated yet approachable, blending beautifully into layered, design-forward interiors. The smooth 360-degree swivel base adds fluid movement, making it ideal for conversation corners, reading nooks, or cozy apartment living. A solid kiln-dried timber frame and plush fiber-wrapped foam cushioning offer supportive comfort beneath the chair's softly rounded profile, while the wooden plinth base grounds the design with subtle architectural contrast. Feminine without feeling precious, Mado balances clean lines, tactile texture, and sculptural shape to create a piece that feels both fashion-inspired and deeply livable.
