

## Mako Bar Cabinet Grey

Brass details steal the scene. The Mako turns bar storage into part of the room with a gray finish, a clean-lined silhouette, and an Art Deco lean that still feels easy to live with. Inside, glass shelving, wine storage, and a blue fabric back panel bring order with a little depth. A solid black oak frame adds warmth and structure, while the shagreen-patterned exterior keeps the front quietly textured. Smart storage, dressed for after-hours.

- **Brass-Lined Presence:** A gray finish, brass legs and handles, and a rectangular silhouette give this cabinet a tailored look with a little Art Deco attitude.
- **Textured Oak Mix:** A solid black oak frame adds warmth and structure, while shagreen-patterned polyurethane and inner glass shelving bring texture and lighter visual rhythm.
- **Matte Front Finish:** A matte lacquer softens the overall look, letting the mixed materials read clearly while giving the cabinet a calm, understated front.
- **Hosting Setup:** Adjustable interior shelving, inner glass shelves, and dedicated wine storage create flexible organization, while a blue fabric back panel adds depth.
