

Mako Nightstand Black

Faux shagreen lends bedside storage a little Art Deco swagger. That patterned PU surface wraps the Mako nightstand in black with subtle depth, while a solid oak frame keeps it grounded and warm. Iron legs in a brass finish lift the silhouette off the floor, and antique-style accents nod to the era without overdoing it. Hidden storage keeps the essentials close and the surface clear. Old-world texture, made for the modern primary bedroom.

- Deco Done Quiet: The shagreen-patterned front and clean lines channel Art Deco character with restraint, giving the nightstand a grounded presence in a modern primary bedroom.
- Texture You Can See: A shagreen-patterned faux leather body in black brings rich visual texture, wrapped over a solid oak frame that adds warmth and weight.
- Lifted On Brass: Iron legs in a brass finish raise the silhouette off the floor, while antique-style accents trace the era's detailing across the piece.
- Keeps It Close: Interior storage tucks away bedside essentials behind a clean front, keeping the surface clear for a lamp, a book, or morning coffee.

Item Code	VL-1110-02
Swatch Code	
Country Of Origin	VIETNAM
Product Materials	Upholstery: Shagreen Patterned PU, Frame: Solid Oak, Legs: Iron In Brass Finish, Interior: Plywood
General Dimensions	26.0" W X 20.0" D X 26.0" H
