Martha Console Table Brown

A little overhang goes a long way. The Martha Console Table brings fluid lines and turned-leg detailing into a grounded, everyday piece that feels considered from every angle. Its medium brown finish keeps the look warm, while the subtly protruding center drawer adds just enough depth to catch the eye. Three drawers and an open shelf keep storage close at hand. It’s graceful, practical, and ready to hold the room together.

- Fluid Silhouette: An overhang top, turned legs, and dimensional detailing give this console table an easy sense of movement with a grounded look that reads clean-lined.
- Oak, All Around: A solid oak frame and legs pair with an oak veneer top for a cohesive brown finish and a clean-lined, substantial feel.
- Layered Drawer Detail: Three side-mounted drawers offer everyday function, while the slightly protruding center drawer brings extra depth and gives the front a tailored rhythm.
- Open Shelf Ease: Three drawers and an open shelf keep keys, mail, books, or baskets organized and close at hand for daily routines.
