

Meridian Wall Decor Black

A harmonious duet of iron semicircles, the Meridian wall decor embodies sophisticated contrast. The larger segment, adorned in textured black, embraces its smaller companion, showcasing a uniquely oxidized patina. Inspired by global latitudes, these forms engage in silent dialogue, playing with light and shadow.

- Contemporary metal wall art comprised of two distinct semicircles
- Please note that no two items are alike. Each piece will be unique due to the nature of the reactive finishing process
- Hanging hardware included
