

Mia Dining Chair Beige Set Of Two

A fresh take on the wishbone chair, drawn in strong vertical lines. Armless and open, the Mia dining chair adds graphic structure from every angle with its double-beamed back, without crowding a smaller dining space. Soft, textured fabric in beige—97% polyester and 3% acrylic—gives the seat a clean, tailored finish, while a solid rubber wood frame keeps it grounded night after night. A padded seat and back handle long meals. Wishbone lines, ready to line up around the table.
