

Mindy Swivel Chair Clay Blue Wave

Channels that catch the light up the back, a base that spins on cue. A sculpted, transitional form curves around you, giving the Mindy a supportive curved back that makes every swivel feel easy. A playful wave pattern in beige, blue, and warm clay covers a foam-and-fiber seat over a maple wood and plywood frame, all turning on a 360-degree iron swivel base. Sit, spin, and settle right in.

- Channeled Barrel Back: A sculpted barrel back with channel detailing wraps the seat in a transitional shape that feels considered from every angle.
- Vintage Wave Pattern: A playful wave pattern in beige, blue, and warm clay brings vintage-inspired character and a point of difference to the channeled form.
- Maple and Plywood Frame: A maple wood and plywood frame shapes the supportive curved back, holding the sculpted form steady through everyday use.
- Spins on Cue: A 360-degree iron swivel base turns smoothly underfoot, so the seat pivots toward conversation, a view, or the next thing easily.
