

MOE'S

Miri Small Shelf Brown

A room divider that happens to hold your favorite things. Miri frames everything on display through clean, geometric lines rooted in mid-century modern design—equally at home against a wall or standing freely in an open-concept layout. Walnut veneer over MDF brings warm, inviting grain to the compact structure, and engineered wood construction resists dents, cracks, heat, fading, and scratches. Slide two units together for a seamless five-tiered display when one is not enough.

- Open Mid-Century Lines: Clean geometric lines and an open-shelf design create a compact, versatile piece that doubles as a freestanding room divider in open-concept spaces.
- Walnut Warmth: Rich walnut tones bring organic depth and an inviting visual character to the open shelves, grounding the piece with natural texture and warmth.
- Everyday Resilience: Engineered wood construction resists dents, cracks, heat, fading, and scratches, keeping the shelves looking sharp through years of daily use.
- Expandable Layout: Two units slide together to create a larger, seamless five-tiered display with room for books, objects, and everyday decor.

Item Code	ER-1072-03
Swatch Code	
Country Of Origin	CHINA
Product Materials	Walnut Veneer, MDF
General Dimensions	63.0" W X 11.0" D X 33.0" H
