

Miri Small Shelf White

A room divider that happens to hold your favorite things. Miri frames everything on display through clean, geometric lines rooted in mid-century modern design—equally at home against a wall or standing freely in an open-concept layout. A high-gloss white lacquer finish over MDF gives the compact structure a bright, light-reflecting presence that opens up the room around it. Versatile enough for living rooms, home offices, and anywhere organized display goes a long way.

- **Open Contemporary Lines:** Clean geometric lines and an open-shelf design create a compact, versatile piece that doubles as a freestanding room divider in any space.
- **Bright Lacquer Finish:** A high-gloss white lacquer surface reflects light to brighten surrounding spaces, giving the open framework a clean and modern visual presence.
- **Multi-Use Storage:** Open shelves keep books, objects, and collected pieces visible and accessible, making it easy to organize and restyle whenever the mood shifts.
- **Compact Versatility:** A space-saving footprint fits comfortably in living rooms, home offices, and open-concept layouts where flexible, organized display is needed most.
