Monterey Console Table Aged Brown

- With a nod to the natural, the Monterey console table brings earthy appeal with its rustic style. Featuring richly finished pinewood with a matte, driftwood-like finish and a solid-panel base design for fluidity, this console table brings idyllic, warming contrast with clean lines and a minimalist shape.
- Minimalist Rustic Shape: Clean lines and a pared-back silhouette bring a modern sense of calm to the Monterey's earthy, natural-material warmth and rustic character.
 - Solid Pine Construction: Crafted entirely from solid pinewood, delivering the real weight, natural warmth, and lasting grain character that only genuine wood can offer.
 - Solid-Panel Base: A continuous panel base creates visual fluidity from top to floor, grounding the console with a seamless structure that feels intentional and considered.
 - Matte Driftwood Finish: An aged brown treatment with a matte, weathered quality adds tonal depth and a warm, time-worn feel that gives the surface instant character.
