

Murray Coffee Table Dark Brown

Four chunky cylindrical legs in solid oak, meeting the frame so cleanly the whole piece reads as one idea. A square top with softly rounded corners gives the Murray coffee table an easygoing presence that settles into living rooms of every stripe. The lower shelf earns its keep — open storage that grounds the form and ties all four legs together. Finished in a deep dark brown that keeps the look grounded and cohesive.

- Cohesive Form: Four chunky cylindrical legs meet the frame seamlessly, giving this square coffee table a unified, considered look that grounds any living room.
- Solid Oak Legs: The four cylindrical legs are turned from solid oak, carrying a deep dark brown finish that brings warmth and natural grain to the room.
- Shelf Below: A lower shelf adds open storage for books or trays while visually grounding the piece and tying all four legs together.
- Softened Corners: Slightly rounded corners on the square top take the edge off the silhouette, keeping a bold piece friendly in everyday living settings.
