

Nadine Sideboard Deep Burgundy

When storage lets the marble do the talking. Nadine blends smart utility with standout materials in one clean silhouette. A creamy Banswara marble top adds instant polish, paired with a color-blocked frame that brings structure and contrast. Two doors and three drawers keep the layout practical, with crisp lines and rich texture from every angle. Functional where it counts. Refined where it shows.

- Authentic Indian Marble: Sourced from the quarries of India, the Banswara marble top adds a touch of natural refinement.
- Smart Storage, Sorted: With two roomy doors and three soft-close drawers, the Nadine Sideboard has storage covered, organized, and within reach.
- Seamless Drawer Glide: The undermounted drawer glides allow for smooth and quiet opening and closing, free from squeaks or bumps.
