

Nels Coffee Table Dark Brown

Sculpted serenity. Built from solid acacia wood, the Nels coffee table puts the materials front and center, serving as a natural showcase for the woodgrain. Its tastefully sculpted form features a broad base and a simple round tabletop, a pedestal for beautiful happenings. For a perfectly simple take on contemporary design, look to Nels.

- **Sculpted Pedestal:** A broad base tapering into a wide round top creates a grounded, sculptural form that anchors the center of any living room.
- **Solid Acacia Wood:** Crafted from solid acacia wood with a walnut finish, letting the rich grain and warm brown tones define the surface.
- **Woodgrain Showcase:** A pared-back design puts the material first, showcasing the wood's natural texture, tonal shifts, and organic character throughout.
- **Round Tabletop Flow:** The round top makes it easy to circulate around seating and gives everyday essentials a practical landing spot in reach.
