

Nels End Table Dark Brown

One shape, one material, nothing extra. This pedestal end table is crafted from solid acacia wood with a walnut finish that lets the natural grain show through. A broad base tapers up to a simple round top—sculptural without being fussy. It is the kind of piece that earns its spot by doing less, not more. Set it beside a sofa or chair and let the wood take it from there.

- Sculpted Pedestal: A broad base tapering to a round top creates a sculptural, contemporary silhouette with clean lines and organic movement.

- Woodgrain Forward: The minimal design puts the material center stage, letting the wood's natural texture, tone, and character define the piece.
- Easy Everyday Surface: The round top offers a practical landing spot for drinks, books, and remotes, sized to tuck in neatly beside seating.
