

## Nicko Coffee Table Black

Blending industrial styling with a more organic shape, the Nicko coffee table is a unique add-on to the living room. The table tops oval shaping and worn in lines bring in a natural and aged aesthetic to its metal structure.

- Organic Oval: An elongated, oval shape breaks from standard geometry, giving this coffee table a freeform, sculptural silhouette with real presence.
- Solid Aluminum: Crafted entirely from aluminum with a black finish, delivering a substantial, industrial material feel in a generously scaled form.
- Aged Surface Texture: Worn-in lines across the surface create a weathered, time-worn character that adds organic warmth to the metal construction.
- Generous Scale: A wide, low-profile footprint provides ample surface for books, drinks, and decor while anchoring the center of a living room.
