

Nix Outdoor Side Table Cream

Because even your side table deserves main character energy. This five-sided accent piece brings serious presence, with sculptural form and bold texture. Cast in concrete and finished using a water-transfer technique, it mimics expressive marble veining with natural variation across every surface. Durable enough for the patio, striking enough for the living room.

- Expressive Faux Marble: Innovative water transfer process creates a playful, organic marble pattern on concrete for an authentic look.
- Geometric 5-Sided Shape: Unique pentagonal design adds a modern, sculptural element to any indoor or outdoor space.
- Concrete Construction: Crafted from durable concrete, providing the resilience needed for indoor and outdoor use as a side table or accent piece.
- Indoor or Outdoor--You Decide: Durable concrete construction allows for use in both indoor and outdoor settings.
