

Oli Counter Stool Stripe

Light-looking seating, serious comfort. Oli is designed for counters that get used — coffee, emails, and quick dinners included. Its open solid oak frame keeps the room feeling uncluttered, while a gently curved back supports an easy, upright sit. A padded seat with foam-and-fiber fill adds cushion without bulk, and plastic glides help protect floors. Finished in striped weave upholstery, it’s a simple classic that stays ready for one more minute when the kitchen turns into hangout.

- Open, Clean Lines: An open-frame silhouette and gently curved back keep the look simple and timeless, so multiples line up neatly without visual weight.
- Upholstery And Oak: 100% polyester upholstery in striped weave pairs with a natural solid oak frame for an easy mix of warmth and color.
- Supportive Seat Design: Solid oak framing and a shaped back create steady support, while foam-and-fiber fill keeps the padded seat comfortable and structured.
- Floor-Friendly Glide: Plastic glides help protect floors and let the stool slide in and out smoothly, so daily resets feel quick and quiet.
