

Oodle 24" Nightstand With Drawer - Walnut

SKU: TOV-B54906

The Oodle Nightstand brings a soft, sculptural presence to the bedside, where playful detail meets thoughtful craftsmanship. Its signature scalloped drawer front creates a gentle wave effect, adding movement and a touch of whimsy, while the natural wood veneer, available in white ash or walnut, highlights the richness and variation of the grain. Set on a solid wood frame, it feels grounded yet light, designed to layer beautifully into a curated bedroom or styled beyond the bedside in a nursery or living space. A single drawer glides open with a quiet, soft close motion, offering a place to tuck away essentials while maintaining a clean, composed look. Finished with a subtle sheen that preserves the wood’s natural texture, Oodle feels equal parts artful and livable.
