Orville Dining Chair Black Set Of Two

The Orville dining chair harmoniously blends natural rattan, black-finished solid elm, and cushioned upholstery into an effortlessly elegant addition that emanates warmth and balance, perfect for the dining room, kitchen, or any living space. Tasteful and time-tested, rattan naturally nestles into many settings with a softened contemporary aesthetic that offers comfort, style, and substance.

- **Rattan-Back Profile:** Natural rattan and a black-finished solid elm frame create a softened contemporary look that lands cleanly in dining or living spaces.
- **Cotton Upholstery:** 100% white cotton upholstery keeps the seat looking crisp and tailored, paired with a natural rattan backrest for contrast.
- **Foam-Cushioned Sit:** High-quality foam shapes the seat for comfort, supported by a solid elm wood frame that keeps the structure steady and grounded.
- **Multi-Space Placement:** Designed for the dining room, kitchen, or living space, this chair brings a warm, balanced mix of rattan, elm, and cotton.
