

Pebble Cream Papier Mache Table Lamp

SKU: TOV-G19029

The Pebble Lamp introduces a grounded, sculptural presence with a distinctly organic point of view. Its papier mache base is shaped to resemble smooth, weathered stone, brought to life through a softly textured surface and a washed white finish that feels calm and natural. Paired with a linen shade, the look is balanced and understated, casting a warm, diffused glow that creates an inviting atmosphere. The contrast between the tactile base and airy shade adds depth without overwhelming, making it an easy addition to thoughtfully styled spaces. Available as both a table and floor lamp, Pebble works beautifully beside a bed, next to a sofa, or in a quiet corner, offering a refined layer of texture that feels collected and quietly design forward.
