Post Media Unit Oak Natural

- A low-slung media unit that keeps the screen the star. Solid oak legs lift a soft white oak-veneer cabinet, giving the Post media unit a wide, foundational stance that grounds the living room. A soft white finish over oak veneer keeps the grain visible, while rounded corner posts and slim legs lend sculptural rhythm to the low silhouette. A spacious top holds large televisions, with concealed storage below for media and consoles — no assembly required.
- Low and Grounded: A wide, low-slung silhouette with rounded corner posts anchors the living room, keeping the screen front and center with sculptural ease.
 - Oak and Soft White: Solid oak legs pair with a soft white oak-veneer cabinet, keeping the natural grain visible against a calm, restrained finish.
 - Steady, Considered Detailing: Panel construction gives the cabinet stability and a finished feel, with clean lines and tight detailing carried through the whole piece.
 - Screen and Storage: A spacious top holds large televisions while the cabinet conceals media, consoles, and accessories, arriving ready to use with no assembly required.
