

Post Nightstand Oak Natural

A bedside piece that hides and shows in equal measure. Rounded cylindrical oak legs lift the Post nightstand into a soft, architectural frame, pairing an open shelf with a single concealed drawer. A warm natural oak finish highlights the grain, while an integrated finger pull keeps the lines clean, and the drawer glides quietly shut on soft-close runners. Open storage for what you reach for, a drawer for the rest.

- Soft Architectural Frame: Rounded cylindrical legs and posts give the nightstand a soft, architectural frame, bringing sculptural detail and an approachable feel to the bedside.
- Warm Natural Oak: Solid oak legs with an oak-veneer top, sides, and drawer front in a warm natural finish highlight the organic grain and wood character.
- Hardware-Free Front: An integrated finger pull preserves the clean lines without visible hardware, while the drawer runs on soft-close side-mounted glides for a quiet shut.
- Show and Stow: An open shelf keeps everyday items in easy reach while a single concealed drawer tucks the rest away, balancing display and concealment.

Item Code	EF-1029-18
Swatch Code	
Country Of Origin	VIETNAM
Product Materials	Top Side and Drawer Front: Oak Veneer and MDF, Legs: Solid Oak, Drawer: Plywood and Veneer
General Dimensions	25.0" W X 18.0" D X 23.0" H
