

## Prim 20" Capiz Shell Nightstand

**SKU: TOV-B54953**

The Prim Nightstand brings a coastal, light-catching energy to the bedside that is genuinely hard to look away from. Hand-applied capiz shell inlay wraps the surface in a soft, translucent mosaic that shifts and glows with every change in light, giving the piece an almost ethereal quality that feels fresh morning and night. Like all great handcrafted work, no two are identical, each shell placement carrying its own subtle variation in tone and texture that makes your piece entirely your own. A single drawer handles the everyday essentials while the open shelf below welcomes a curated arrangement of books, a basket, or a few well-chosen objects. Built on a solid wood internal frame and sealed with a protective resin topcoat, the Prim is crafted to last as beautifully as it looks on day one. Small in footprint, big in presence.
