Mething Light Brown 25" Medium Farmhouse Wall Clock SKU: 63080

METAL AND WOOD CONSTRUCTION

Crafted from solid rubberwood, this stunning wall clock is sturdy and substantial, which helps give it a premium look and feel. The solid wood composition is also responsible for the stunning visuals of this clock, thanks to the natural wood grain and its slight color variation.

SUPERIOR FINISH

The Mething is finished in a spectacular, brown polish. This piece features matte-black polished metal hands which not only complement the overall design but also ensure that it is easy to read time from a distance, as they do not blend with the background.

FARMHOUSE/COASTAL INSPIRED DESIGN

Designed to be an instant head-turner in coastal and farmhouse spaces, the Mething flaunts clean lines and a unique design, which when complemented by its radiant finish, makes it the perfect addition to any modern space and setting.

The Mething II is an amazing farmhouse-inspired, open-face clock crafted from wood and metal.
