METAL CONSTRUCTION

This stunning clock is crafted from metal and polished in a white/brown tone.

SUPERIOR FINISH

The Belton is finished in a spectacular, brown and white polish. This piece features matte-black polished metal hands which not only complement the overall design but also ensure that it is easy to read time from a distance, as they do not blend with the background.

FARMHOUSE/INDUSTRIAL INSPIRED DESIGN

Designed to be an instant head-turner in farmhouse & industrial spaces, the Brechin flaunts clean lines and a unique design, which when complemented by its radiant finish, makes it the perfect addition to any modern space and setting.
