METAL CONSTRUCTION

The Langara is meticulously crafted from lightweight tin, making it a sturdy yet stylish addition to any space.

SUPERIOR FINISH

The Langara is finished in a spectacular, off-white tone with black accents. This piece features matte-black polished metal hands which not only complement the overall design but also ensure that it is easy to read time from a distance, as they do not blend with the background.

MODERN/COASTAL INSPIRED DESIGN

Designed to be an instant head-turner in modern & coastal spaces, the Langara flaunts clean lines and a unique design, which when complemented by its radiant finish, makes it the perfect addition to any modern space and setting.
