METAL CONSTRUCTION

The Lewiston is meticulously crafted from metal and wood, making it a sturdy yet stylish addition to any space.

SUPERIOR FINISH

The Lewiston is finished in a spectacular, natural wood tone with a matte-black frame. This piece features matte-black polished metal hands which not only complement the overall design but also ensure that it is easy to read time from a distance, as they do not blend with the background.

INDUSTRIAL INSPIRED DESIGN

Designed to be an instant head-turner in industrial spaces, the Lewiston flaunts clean lines and a unique design, which when complemented by its radiant finish, makes it the perfect addition to any modern space and setting.
