Monmouth 24.25" Seat Height Cream/Beige Fabric Seat Brown Wood Frame Counter Stool
SKU: 68143

SUPERIOR FINISH

In addition to sturdy construction, the Monmouth II also flaunts a superior, natural brown polish that highlights the grain and variation in the wood used. The wooden frame complements the cream fabric wrapped seat up top and adds to the visuals of this piece.

STURDY WOODEN FRAME

Featuring a frame and base crafted from durable Indian mango wood, the Monmouth II is a sturdy, chair-style counter stool with exceptional stability and balance.

FOOTREST

The four legs of the Monmouth II are stabilized by wooden flat-bracing that also serves as a footrest and ensures a comfortable seating experience.

COASTAL-INSPIRED DESIGN

Prudently designed to suit coastal spaces, the Monmouth II flaunts a low-back seat wrapped in cream and beige toned linen and jute which perfectly complements its solid wood frame. The juxtaposition of fabric and wood with a low-back chair style design makes this a great piece for contemporary coastal spaces.

The Monmouth II is a counter stool featuring a fabric covered seat and jute covered backrest mounted on a sturdy, wooden base.
