Bumble (Set of 2) 12L x 12W x 32H Black Plant Stands
SKU: 68828

LIGHTWEIGHT METAL CONSTRUCTION

The Bumble is a set of two freestanding, staggered planters. Each planter has a deep, rounded cylindrical pot seated in a clean, geometric frame. Their lightweight, but sturdy metal structure makes it easy to move the Bumbles around for plant maintenance and an occasional change of style.

NEUTRAL BLACK FINISH

A smooth matte black finish gives the Bumble planters a minimalist aesthetic that perfectly compliments or contrasts greenery and foliage for a fresh décor statement. *Use indoors with a liner or plastic pot to avoid rust and corrosion.

STAGGERED OR STAND ALONE

The Bumble planters provide a creative solution for displaying plants. Use as a staggered pair in corners and entryways or spread throughout a space for splashes of lively, air-purifying greenery.

MODERN INSPIRED DESIGN

With a neutral finish and clean-cut design, the Bumble planters are the perfect accent for any modern, plant-loving home!

A set of two staggered metal planters with a clean black finish, perfect for incorporating plant life into any modern space.
