METAL AND GLASS CONSTRUCTION

The Grimwig's clear glass panels are encased in a grid-like metal frame to resemble Crittal-style doors. The hinged front panel, secured by a sliding pin, swings open easily to place and remove candles and other ornaments.

RUSTIC GOLD METAL FINISH

A rustic gold metal patina gives the Grimwig raw industrial appeal with a hint of vintage elegance. *As each piece is unique in how it accepts the finishing process, slight variations in color, character and tone should be anticipated. Some pieces may be more rustic than others.

VERSATILE AMBIANCE

Use as a standalone feature or group together for a striking focal point. Create soft interior ambiance or evening patio lighting. Change candles for an easy style update or to incorporate into seasonal décor. There are so many ways to use the Grimwig! *Do not leave outdoors as the metal will rust.

INDUSTRIAL INSPIRED DESIGN

With its factory window vibe and unpolished gold finish, the Grimwig would be right at home in a romantic downtown loft.

Transparent glass walls framed within a rustic gold metal grid give the Grimwig lantern an industrial factory window vibe with a hint of
