Sikes (Large) 10L x 10W x 16H Hut Terrarium W/Glass Base
SKU: 68840

METAL AND GLASS CONSTRUCTION

The Sikes is a geometric, house-shaped terrarium with clear glass panels in a distressed metal frame. One rooftop panel has been left open to allow easy access for watering plants or removing stored contents.

DISTRESSED FINISH

A rustic gunmetal patina gives this piece raw industrial appeal. *As each piece is unique in how it accepts the finishing process, slight variations in color, character and tone should be anticipated. Some pieces may be more rustic than others.

CREATIVE DÉCOR AND STORAGE

Create a mini greenhouse to display succulents, fern moss or air plants, showcase a favorite keepsake or store odds and ends in a creative way. There are so many ways to use the Sikes!

INDUSTRIAL INSPIRED DESIGN

The Sikes' raw simplicity and versatile functionality work well in industrial-styled spaces.

The Sikes, a house-shaped terrarium with transparent glass walls in a metal frame, provides endless decorative storage
