Minara 36" Square Black Leather Wrapped w/Metal Base Ottoman
SKU: 69059

LEATHER AND METAL

This square ottoman has a firm body upholstered entirely in top-grain leather. It rests upon a square iron base.

A sophisticated leather and metal ottoman

BLACK AND BRASS FINISH

The leather has a uniform, slightly shiny finish with stitch lines that add texture and interest. The iron base features a polished, brass-toned finish.

*Leather is a natural material. Each piece has its own beautiful intricacies and may carry scars, blemishes, and scratches. Please expect variations in color, texture, and finish. It will also age with time and wear.

ULTRA VERSATILE

We're huge fans of using ottomans in place of conventional coffee tables. They're a great spot for decorative objects, living room paraphernalia and tired feet. They also provide extra seating and can be moved around or tucked away to save space. We're sold!

MODERN INSPIRED DESIGN

The Minara is the perfect way to add grown-up allure to modern spaces.
