

MERCANA

Theta 30.0 L x 30.0 W x 15.0 H White-Washed Beaded Chandelier
SKU: 69241

BEADED + METAL CONSTRUCTION

The Theta's chandelier shade is made from beads that are secured to metal framing, which is tucked away on the interior of the shade. Metal framing ensures the chandelier is sturdy, and showcases the beautiful beading pattern perfectly.

NATURAL WHITE-WASHED FINISH

The Theta's beading element is finished in a beautiful natural toned white-washed color, which is perfectly complimented by the metal framing, chain rod, and ceiling cap that are tastefully finished in the same color to provide a cohesive look and feel.

THREE LIGHTBULB FEATURE

The Theta is home to three lightbulbs that are positioned to face outward in different places, providing ample light in all areas of a room where the Theta is hung.

ELEGANT DESIGN

The Theta has an elegant look and feel, and looks best in homes that are modern and contemporary in nature. Its white-washed finish is the perfect neutral element to a room, while its unique beaded design makes a statement in any kitchen, living room, or dining room.

The Theta is a white-washed intricately beaded chandelier that is home to three lightbulbs.
