GLASS + MARBLE + METAL CONSTRUCTION

The Felicity is crafted from three gorgeous materials that suit each other perfectly. Combining premium glass, white marble, and sturdy metal, the Felicity is durable and elegant.

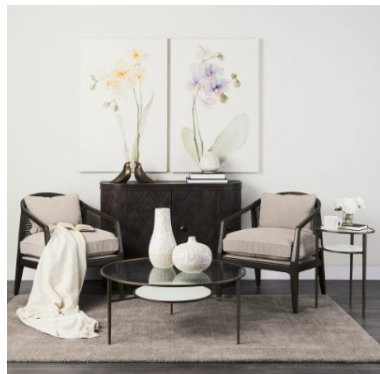

ANTIQUÉ GOLD FINISH

The Felicity has metal framing that is finished in a beautiful antique gold color, and features small ridge patterns that speak to its classic look and feel. Creamy white marble with grey veining through it acts as an additional surface space at the base of the table, while the glass top allows for an airy look and feel.

EXTRA SURFACE SPACE

The Felicity features an extra marble surface that acts as additional space to place desired items on the table.

ELEGANT LOOK AND FEEL

The Felicity's combination of classic materials speak to its elegant look and feel, and looks best in elegant and classic homes.

Felicity is an end/side table with a glass top and marble with iron base.
