SOLID WOOD AND METAL

This classic style wall clock features an open design with large, cut-out Roman Numerals encircled by a solid Rubberwood frame. The Roman Numerals are constructed from iron, as is the round center dial with spade style hands.

GRAY AND BLACK FINISH

The wood is smooth textured in a gray finish that lets the natural color and grain show through. The iron elements feature an unfussy, matte black finish.

PERFECTLY PAIRED

Got a large wall to fill? This piece makes a striking statement when paired with others in the Mething series.

FARMHOUSE INSPIRED DESIGN

The Mething is a beautiful combination of classic elements and modern style - perfect for farmhouse living!
