

MOE'S

Quinn Sofa Oatmeal

Quinn brings quiet confidence to any room. Its soft curves and clean silhouette create a versatile three-seater that fits easily into both relaxed and polished spaces. Upholstered in GRS-certified, OEKO-TEX® Standard 100 recycled polyester, it's durable, comfortable, and responsibly made. Supportive foam-and-fiber cushions and tapered rubberwood legs complete a sofa designed to look good, feel good, and stand up to everyday use.

- Streamlined shape: Soft curves, tailored lines, and low-slung arms make Quinn versatile enough for any room—from media lounge to main living space.
- Responsible upholstery: Upholstered in 100% recycled polyester for a soft, durable finish that's designed to reduce environmental impact without compromising performance.
- Solid construction: Built with a strong foundation of pine, plywood, and MDF, reinforced for long-lasting structure and everyday reliability.
- Comfort-driven design: High-resilience foam and fiber cushions offer balanced support for lounging, reading, or sitting through long conversations.
- Certified safe: Fabric meets OEKO-TEX® Standard 100 and is GRS-certified, ensuring it's tested for harmful substances and verified as
