

Rodi Cocktail Table Rosso Levante Marble

Rosso marble gives mushroom geometry a rich streak. A softly rounded triangular top gives the Rodi cocktail table a sculptural surface, while the tapered cone base keeps the silhouette grounded. The generous overhang adds visual lightness to the solid Rosso Levante marble form. Deep burgundy tones with bold white and dark veining bring warmth to the compact scale. Useful surface, artful pause, strong little anchor.

- Soft Triangle Top: A rounded triangular top gives the Rodi cocktail table a sculptural shape with an organic, modern presence, so the design feels considered from every angle.
- Rosso Levante Marble: Rosso Levante marble brings deep burgundy color with bold white and dark veining for a rich natural surface, letting the material carry the visual story.
- Cone Pedestal: A tapered cone base supports the overhanging top, giving the solid marble form a lighter visual stance, letting the material carry the visual story.
- Versatile Surface: The compact scale works beside seating, as a standalone accent, or as a surface for one favorite object, while adding practical purpose to the design.
