

Rossi Swivel Dining Chair Berry

Some chairs sit still—Rossi likes to keep up. Designed for long dinners and longer conversations, this swivel dining chair brings a confident pop of berry to the table—bold enough to notice, easy enough to live with. Wrapped in 100% polyester upholstery and cushioned with foam and fiber over supportive webbing, it’s comfortably structured. A rubber wood frame and swivel leveler help everything feel steady, even mid-spin. Color, comfort, and function—handled.

- Color That Anchors: A rounded, design-forward silhouette with a smooth swivel, finished in berry to add depth and personality to your dining space.
- Performance Polyester: 100% polyester performance fabric is made for everyday dining, helping you handle the occasional spill while keeping the surface feeling smooth.
- Cushioned, Supported Seat: Foam and fiber filling over webbing support creates a comfortable sit that stays responsive, meal after meal.
- Smooth Swivel Control: The swivel leveler helps the chair rotate with ease and sit steady on uneven floors, so conversations can flow without wobble.
