

Rossi Swivel Dining Chair Cream

Some chairs sit still—Rossi likes to keep up. Designed for long dinners and longer conversations, this swivel dining chair brings an easy, confident feel to the table with a soft cream finish that plays well with just about everything. Wrapped in 100% polyester upholstery and cushioned with foam and fiber over supportive webbing, it’s comfortably structured. A rubber wood frame and swivel leveler help everything feel steady, even mid-spin.

- Quiet Statement Style: A rounded, design-forward silhouette with a smooth swivel makes every seat feel a little more intentional—without trying too hard.
- Soft, Durable Upholstery: 100% polyester in a creamy neutral keeps the look clean, versatile, and easy to pair with warm woods or crisp metals.
- Supportive Comfort Stack: Foam and fiber cushioning with webbing support creates a comfortable sit that holds its shape through everyday use and special occasions.
- Steady Swivel Base: Rubber wood framing and a swivel leveler help the chair rotate smoothly while staying balanced on a variety of floors.
