

Rossi Swivel Dining Chair Stripe

Some chairs sit still—Rossi likes to keep up. Designed for long dinners and longer conversations, this swivel dining chair adds energy to the room with a stripe that reads playful, not loud. Wrapped in 100% polyester upholstery and cushioned with foam and fiber over supportive webbing, it’s comfortably structured. A rubber wood frame and swivel leveler help everything feel steady, even mid-spin. Consider it your easiest way to add pattern—no commitment required.

- Pattern With Purpose: A rounded, design-forward silhouette meets an easy swivel, while the stripe brings just enough movement to lift the whole dining setup.
- Polyester Upholstery: 100% polyester fabric keeps the look crisp and practical, with a multicolor stripe that pairs well with solids and natural textures.
- Comfort That Holds: Foam and fiber cushioning, backed by webbing support, creates a comfortable seat designed to stay supportive through everyday meals.
- Balanced, Smooth Swivel: A rubber wood frame plus swivel leveler helps the chair rotate with ease while staying grounded, even on slightly uneven floors.
