

Russet Console Table Brown

Turned legs put a classic spin on the entryway. Solid acacia and carved detailing give the Russet console a traditional presence that settles into classic and transitional spaces with quiet confidence. Acacia veneer reinforces the frame, two roomy horizontal drawers handle keys, mail, and everyday clutter, and an open shelf underneath holds baskets or books. An overhanging top finishes the traditional line, and a stain-resistant surface wipes clean in a single pass. Storage with character to spare.

- Traditional Lines: Turned legs and carved detailing give the rectangular console a traditional look that grounds an entry or living room with warmth and character.
- Solid Acacia Top: The top is solid acacia in a mid-tone brown finish, so its grain and tone carry the natural depth solid hardwood offers.
- Two Drawers, One Shelf: Two roomy drawers hide everyday clutter while an open shelf below keeps baskets, books, and frequently used pieces within easy reach.
- Stain-Resistant Top: A stain-resistant surface shrugs off spills and fingerprints, keeping the console ready for daily drop-and-go life right by the front door.
